DAHLIAS

Fitchett Dahlia Gardens

TWENTY-SIXTH YEAR

Janesville, Wisconsin

HEREWITH we enclose our new Dahlia catalogue for 1926, printed in our own shop at the garden. Please note at the top of page two the special premium offer to each of our customers who wins a prize on Dahlias this fall at any fair or garden show.

Our \$10.00 premium at Wisconsin State Fair brought out a splendid display last fall. It was won by Mrs. Delaporte, Mrs. Weck and Miss Goelzer. This premium will be repeated this year. It is for best 12 blooms grown by an amateur.

We have grown every variety we offer and are familiar with all their good points—of course they have no bad ones. If you are not familiar with Dahlias, we will gladly make a selection for you, simply indicate how many you want and how much you wish to invest.
